Switch Function

SPST

SPDT

SPDT

Mounting

in cabinet with metal cable gland

Installation

standard with 10 cable gland

with 2 cable gland

with 3 cable gland

3-terminal terminals

4-terminal cable

with plug connector

with terminal box

with terminal box and for high media temp.

with terminal cable

for high media temperature

Specialty

with 100% SPST

for high media temp.

for high media temp.

for high media temp.

SPST - Single Pole Single Throw

SPDT - Single Pole Double Throw

- 1) standard cable
- 2) longer than cable
