TORSO

Models T100 Series offer high end and lower cost
 tools for vertical and horizontal alignment
 correction in upper and lower body using the
 following tool:

RECOMMENDATIONS

The best alignment tools give solutions for
 chronic and/or acute conditions. At KPIR, we
 have the best in class. We have the best of
 both worlds. We have the best and lowest
 cost. At KPIR, please visit our web
 site for more information.

HOW TO ORDER
